

## Einstein Never Used Flashcards: How Our Children Really Learn-- And Why They Need to Play More and Memorize Less

By Roberta Michnick Golinkoff

Rodale Books. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Now Available in Paperback! In this book two highly credentialed child psychologists offer a compelling indictment of the growing trend toward accelerated learning. Its a message that stressed-out parents are craving to hear: Letting tots learn through play is not only okay-its better than drilling academics! Drawing on overwhelming scientific evidence from their own studies and the collective research results of child development experts, and addressing the key areas of development-math, reading, verbal communication, science, self-awareness, and social skills-the authors explain the process of learning from a child's point of view. They then offer parents 40 age-appropriate games for creative play. These simple, fun--yet powerful exercises work as well or better than expensive high-tech gadgets to teach a child what his ever-active, playful mind is craving to learn. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
