Though it s not a four-letter word, it sure conjures up a lot of them. I won t say the first word that popped into my mind, and out of my mouth, when I received the diagnosis of stage III breast cancer - it s a bad word, my mother would be horrified. I can tell you it wasn t Whoopee! Many other four-letter words quickly joined that first, shocked sentiment. Fear, sick, pain, loss, hell, dead. You get the drift. If you ve received a similar diagnosis, or know someone who has, I don t want to scare you. You re scared enough already, and have probably experienced many of those words yourself, but, though your fears are justified, I can share one four-letter word that trumps all others. Hope. I am a survivor. You can be too. Victory is ours!.
