By Simon Lacouline

F Lepine Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. I am amazed at how agile Simon was while guiding us thru such a liberating experience. I dearly recommend this book to everyone who seeks to better understand life. - MahaVajra Since our whole experience of reality depends on our perception, wouldn't it be important to ask ourselves how reliable it is? What does it really allow us to perceive and, most importantly, what does it prevent us from perceiving? The answer to these questions could dissolve the limits of our experience! A lot of work has gone into this book, of which the writing part was by far the easiest. It deals with things that a part of you may not want to see. What you are about to read has all been experienced first hand. Some of those things may upset or provoke you as they have provoked me while I kept repeating them to myself and doing them in my daily life. However, I discovered that what was upsetting me was my unwillingness to let go. Only then did I realize...
