Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Insects are fascinating but none more than the butterfly. Each and every one is different in some way. They are colorful and they can fly, what s not to like about that? I chose my favorite butterflies and I researched each one and put the information I found in a notebook along with a drawing of each butterfly. My grandmother said it was good enough to make a book. So here it is, I hope you enjoy it.
