Brand New Book ***** Print on Demand *****.Excerpt from Report on Dredging in Lake St. Peter, and on the Improvement of the River St. Lawrence: Between Montreal and Quebec, (With Charts) Sir, - I have the honor to acknowledge the receipt of Mr. Glass letter of 6th January, transmitting the reports of Capt. Bell, Superintendent to the Commission, with a request that I should report upon the same - review the past progress of the works - and give my views with reference to future operations. The documents published in February, 1853, give a clear and connected history of the operations of the Harbour Commissioners up to that date. Since then, two working seasons have elapsed - the scale of operations has been materially enlarged by a decision to carry a depth of twenty feet at low water through Lake St. Peter, instead of one of sixteen feet, which was the maximum aimed at in the instructions to the Board of Engineers in October, 1850; and the question of the enlargement of the Harbour of Montreal has been presented in a manner which indicates that...
