Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

(Blair Monahan)

BOXING FITNESS

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Boxing Fitness, Clinton McKenzie, Hilary Lissenden, Boxing is well-known for its training regime, which produces some of the strongest, fittest athletes in the world. 'Boxing fitness', a recent development in personal fitness, has adapted elements of this training into a safe, enjoyable and effective workout. A non-contact discipline, it's fun and suitable for everyone. In essence, it's a great cardiovascular workout that also helps develop strength, speed, co-ordination, balance and flexibility. In this book, two experts describe the techniques involved - a circuit that includes shadow boxing, skipping, punch bag and focus-pad work - and explain how a regime can be tailored to address each individual's fitness goals, whether it be weight loss, general toning, increased stamina or improved strength. The unique structure of a boxing fitness session evokes the traditional boxing experience, adding an authentic touch to a modern exercise regime that's suitable for men and women, young and old. Whether you're a cross-training athlete or simply want to enjoy a great workout, this clear and well-illustrated guide will help you reach the top of your game.
