*Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

In fact, George is abstaining from men all together. At least that's the plan—until she makes a trip back to her tiny hometown in the Catskills, where meddling is an art form. . . . George loves helping out with her new baby niece, but she's counting the days until she returns to Boston. Then she runs into Casey Bowen, her high school crush. The boy she once loved is now a handsome grown man—and suddenly George needs a little advice of her own. She's in the right place, because when she drunk posts on her blog, everyone in Marsden has something to say about George and Casey. It's like high school all over again—but maybe this time she'll get things right. . . . This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
