Dial Press, United States, 2005. Paperback. Book Condition: New. Reprint. 208 x 132 mm. Language: English . Brand New Book. What s a round-the-world honeymoon if you can t buy the odd souvenir to ship back home? Like the twenty silk dressing gowns Becky Brandon (nee Bloomwood) finds in Hong Kong, or the hand-carved dining table from Sri Lanka, or the, um, huge wooden giraffes from Malawi (that her husband expressly forbade her to buy). Only now Becky and Luke have returned home to London, where two truckloads of those souvenirs have cluttered up their loft. The bills are outrageous, Luke is furious, and Becky s feeling rather blue until her parents deliver some incredible news. She has a long-lost sister! Becky is convinced her sister will be a true soulmate. They ll go shopping together, drink cappuccinos together, get manicures together. Then Becky meets Jessica and receives the shock of her life. Surely the shopaholic s own sister can t hate shopping ? Praise for Sophie Kinsella Kinsella s heroine is blessed with the resilience of ten women, and her damage-limitation brain waves are always good for a giggle. *Glamour* (U.K.) Kinsella has a genuine gift for comic writing. *The Boston Globe* Kinsella s Bloomwood is plucky and funny. . . . You won t have to shop around to find a more winning protagonist. People Faster than a swiping Visa, more powerful than a two-for-one coupon, able to buy complete wardrobes in a single sprint through the mall it s Shopaholic! *The Washington Post*.
