Brand New Book ***** Print on Demand *****.Bobbie Titan is not just another Barbie clone at the Kain s Advanced Research Institute (KARI). Even though she physically looks just like the other girls who received a special cancer treatment that turned them all into blond hair, blue-eyed look-alikes, on the inside, she s different. All of the other teenagers at KARI have super powers. The girls can disappear or change their appearance. The boys are fast or strong. Bobbie is frustratingly normal until she discovers that she can predict the future. After she uses her ability to save a KARI administrator, Bobbie can no longer hide in the crowd. Being KARI s new champion is short-lived. Bobbie suddenly finds herself separated from the other students and on the run from some powerful people who are afraid she will use her new abilities for evil. Bobbie must figure out how to rescue her classmates and learn the mystery behind all the teenagers powers while staying one step ahead of those willing to go to extremes to control her.
