Brand New Book ***** Print on Demand *****.THE SUICIDE GARDEN AND OTHER STORIES (Notes from a Life in Progress) If this was a story, maybe she could feel shock, anger, or disbelief. A stranger in the dark, pulling you off the streets into the bushes. An urban legend, a myth. She s not the girl found murdered in her hotel from a one-night stand. She s not the pretty little thing with a stressed boyfriend who sometimes loses his temper and beats his girl. She s the slacker who s been with a drug addict for the past three years. She s the tramp who lets her guy cheat and sleep with other women. She s the whore who still sleeps with him, even as he beats her to a bloody pulp while kissing her lips. She s the fool who s in love with the devil. * * * In her first short-fiction collection, Shvaugn Craig weaves stories of love and breakdown, longing and remembrance, and all the turbulent emotional landscape in between. Painting pictures of the world through a young woman s eyes and as rendered by notes on a life in progress, THE SUICIDE GARDEN AND OTHER STORIES introduces a fresh fictional voice whose insight and promise ring loud and clear.
