Brand New Book ***** Print on Demand *****.After almost a year of uncertainty following Zimbabwe's March 2008 elections, opposition leader Morgan Tsvangirai was sworn as Prime Minister of a new coalition government on February 11, 2009. The new government's establishment came five months after a power-sharing agreement was signed in an effort to resolve the political standoff resulting from the flawed 2008 elections. For the first time since independence, the ruling party has lost its majority in the National Assembly. The results of the presidential race, belatedly announced in May 2008 amid rising tensions, indicated that Tsvangirai had received more votes than the incumbent, President Robert Mugabe, but had failed to garner the 50 needed to avoid a runoff. Days before that runoff was scheduled to take place, in late June 2008, Tsvangirai pulled out of the race, citing widespread political violence and the absence of conditions for a free and fair election. Mugabe was declared the winner in the runoff, but many observer missions suggest the poll did not reflect the will of the people. On September 15, 2008, after weeks of...
