THREE UNION ARMY REGIMENTS OF THE AMERICAN CIVIL WAR

LEONAU. Hardcover. Book Condition: New. Hardcover. 132 pages. Dimensions: 8.7in. x 5.6in. x 0.8in. The County Regiment by Dudley Landon Vaill. History of the Second Massachusetts Regiment of Infantry by Daniel Oakey. Frontier Service During the Rebellion by George H. Pettis. Three regiments of men in blue. Fortunately, so momentous an event in a young nation's history as the great civil war between the states guaranteed that posterity would be left a considerable volume of histories of the campaigns and units that took part, together with the personal wartime experiences of many of its participants. Rich though this resource is, it is also the case that many of these accounts are comparatively short in length and so are unlikely to achieve individual republication in modern times. The Leonaur editors are pleased to remedy this in the case of these three unit histories brought together in one special good value volume. The first account follows the fortunes of the 2nd Connecticut Regiment of Heavy Artillery. The second, written by a captain of the regiment, chronicles the war of the Second Massachusetts whilst the third concerns the doings of the First Infantry, California Volunteers as it campaigned in the wild south west. Available in soft cover and hard cover with dust jacket. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
