CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 144 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This book is a joke. Literally. It is over 130 blank pages because there are NO reasons to love Obamacare! If you feel the same way, you must buy this book. Proudly display it on your coffee table or on your bookshelf. It makes the perfect gift for your friends who feel that same way you do. It is a very quick read. Recommend it to everyone you know. For less than the cost of one week of socialized health insurance coverage from a federal exchange, you can own this book. And best of all, when you order the book, unlike trying to sign up for health coverage on line, you will actually be able to complete your order. And should you choose not to order this book, you will not have to pay a fine. Disclaimer: Cover photo was originally created for the cover of the soon to be released, The Complete List of US Citizens the NSA is Not Spying On. This book is also available on Kindle. An audio book was planned but the author insisted on using Marcel Marceau for the voice. Unfortunately he is not available due to his death. . . not that it would much of a difference. This item ships from La Vergne, TN. Paperback.
