By Nancy Newman

Tribeca View Press, LLC, United States, 2014. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. When neuroscientists cracked the mystery of reading in the 1980s, they pinpointed the simple steps parents can take to help all children become skilled, avid readers. Bridging the gap between scientists and busy parents by combining the latest scientific research with what she has learned as a teacher and mother, author Nancy Newman offers a simple, practical, and joyful approach that boosts children's literacy skills and instills an enduring love of reading. Using accessible, parent-friendly language, realistic examples of family life, and humor, this indispensable guide translates neuroscience into common sense, and provides easy, effective, everyday strategies that can be adapted to a wide range of families, personalities, and schedules....
