BRAND NEW, Atlas: A Graphic Novel, Dan Rafter, Erik Thompson, After commanding the Titans in their war against the Olympians, Atlas was forced to hold up the heavens on his shoulders. His life was a tragic story of a lone God fighting boredom on Mount Olympus. However, monitoring the earth from above, Atlas watched Earth change and the emergence of super powered beings donning capes and tights. Growing restless and craving adventure, Atlas decides to take the world in his hands and become one of the Earth's newest heroes. However, learning the superhero game is not going to be easy for him as Atlas fights against one of the oldest superpowers in history!.

Reviews

Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
