Jazz, has always been a stellar student and an obedient, albeit wise-cracking, daughter. Everything has gone along just fine--she has good friends in the genius program she s been in since kindergarten, her teachers and principal adore her, and her parents dote on her. But now, in her junior year of high school, her mother hears that Jazz was seen hugging a boy on the street and goes ballistic. Mom immediately implements the Guided Dating Plan, which includes setting up blind dates with suitable, pre-screened Indian candidates. The boy her mother sets her up with, however, is not at all what anyone expects; and the new boy at school, the very UNSuitable hottie, is the one who sets Jazz s blood boiling. When Jazz makes a few out-of-the-ordinary decisions, everything explodes, and she realizes she ll need a lot more than her genius education to get out of the huge mess she s in. Can Jazz find a way to follow her own heart, and still stay in the good graces of her parents?.
