By N y Chamber of Commerce Com Syracuse

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Report of the Committee on Education, January, 1908 The Committee on Education, appointed in the summer of 1907, at its first meeting discussed the question which of the great number of topics that might be treated in a report under the broad title of Education was best entitled at the present time to study and consideration by a Chamber of Commerce Committee. It was decided first, that there should be a brief presentation by Mr. Blodgett, Superintendent of Schools of Syracuse, of some of the most important facts concerning our city schools, for the general information of our citizens; second, that all questions relating to our state public school system as it now exists, our academies, colleges and universities, which are fully treated in the annual reports of the State Bureau and of the local Board of Education, and discussed every year in various conventions, be for the present at least passed by; and third, that the principal work of the Committee be the study of the most important question now before the educational world,...
