Walker Books Ltd. Paperback. Book Condition: new. BRAND NEW, Tall, Thin and Blonde, Dyan Sheldon, This is a genuinely funny story about adolescent friendship - with some excruciating moments! Jenny and Amy are best friends, they do everything together. Now they're about to start High School and Amy says it's the perfect opportunity to reinvent themselves and get in with the popular set. Jenny doesn't understand why Amy is so desperate to fit in all of a sudden - she thought they both enjoyed being unique. At first she tries to keep up with Amy: she diets, goes to the school dance, even dyes her hair (unsuccessfully!). But the harder she tries to be tall, thin and blonde the more miserable she becomes, and the two drift apart as Amy spends more and more time with the popular Rosie Henley and her followers. Jenny finds that a group nicknamed "the Martians" - due to their unfashionable appearance and oddball behaviour - appeals to her more. Finally she gets involved with the non-conformist brother of one of the Martians and commits social suicide by dressing as a frog to protest against unnecessary dissections in Biology! This is a reissue of a bestseller, first published in 1993.
