Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A School History of Texas This book aims to present in form sufficiently simple for young readers the essential facts of the history of Texas. To bring it within the grasp of fifth and sixth grade pupils and to make it a thoroughly useful tool in the hands of the teacher, we have steadily sought to give it the qualities of accuracy, directness, and fairness. We believe that our sympathetic reverence for the history of our native state, our knowledge of the subject, and our experience as teachers in the public schools and colleges of Texas have enabled us to accomplish this end with measurable success. We have written only what is important to an understanding of the making of Texas, and we have shown at each step why it is important, so that the pupil should be in no doubt at any time of the significance of what he reads. The illustrations have been chosen with a view to instruct as well as to entertain children; geographical questions are illustrated by numerous maps; and at the end of each chapter are a list of questions, designed to emphasize the principal points of the chapter, and a list of simple and interesting reading which may be used to supplement the text. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
